Subject: Serial No. 08/978,235

As discussed during our interview, please let me know if the following changes are acceptable to you, and would be entered. I am in our NY Office today, 212-758-4800.

IN THE SPECIFICATION:

Page 1, cancel lines 15-16 in their entirety and rewrite them as follows:

--In FIG. 1, Raschel knitted netting 10, including shuss (schuss), or "lateral" ribbons 14, and franze (longitudinal) ribbons 12, also known as franse ribbons, is shown and further described in U.S. Patent No. 5,104,714 to Leiber et al.--.

Page 3, line 11, after "machine." insert the following: -- The netting according to the present invention may have at least one modified shuss 18, may include modified shusses 18 located along the outside edges of the netting, or all of the shusses of the netting may be of the modified design. Each modified shuss may be formed from a plurality of ribbons. --

Page 3, cancel line 13 in its entirety and rewrite the lines as follows:

--polyolefin ribbons (also known as franse ribbons) and lateral polyolefin ribbons (also known as schuss ribbons) knitted with the longitudinal polyolefin--.

IN THE CLAIMS:

Cancel claims 2-4 and rewrite them as new claims 10-11.

-- Claim 10 The knitted netting in accordance with claim 1, wherein lateral polyolefin ribbons along outside edges of said netting have an actual length that is more than 110% of the length of a calculated ribbon length.

Claim 11. The knitted netting in accordance with claim 1, wherein all of said lateral polyolefin ribbons have an actual length that is more than 110% of the length of a calculated ribbon length.--

First, I'd like to make you aware that the PTO cannot guarantee confidentiality for information transmitted over the internet. Secondly, I am unable to review the case with a supervisor and give you a response until next Tuesday or Wednesday. At that time, I will call you to discuss your proposed amendments.
